

NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of \$0.74691 per \$100 valuation has been proposed by the governing body of City of Archer City.

PROPOSED TAX RATE	\$0.74691 per \$100
NO-NEW-REVENUE TAX RATE	\$0.69183 per \$100
VOTER-APPROVAL TAX RATE	\$0.71952 per \$100
DE MINIMIS RATE	\$1.32607 per \$100

The no-new-revenue tax rate is the tax rate for the 2023 tax year that will raise the same amount of property tax revenue for City of Archer City from the same properties in both the 2022 tax year and the 2023 tax year.

The voter-approval rate is the highest tax rate that City of Archer City may adopt without holding an election to seek voter approval of the rate, unless the de minimis rate for City of Archer City exceeds the voter-approval rate for City of Archer City.

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate for City of Archer City, the rate that will raise \$500,000, and the current debt rate for City of Archer City.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that City of Archer City is proposing to increase property taxes for the 2023 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON September 21, 2023 AT 6:30 PM AT City Council Chambers 116 S. Sycamore Archer City, TX 76351.

The proposed tax rate is greater than the voter-approval tax rate but not greater than the de minimis rate and does not exceed the rate that allows voters to petition for an election under Section 26.075, Tax Code. If City of Archer City adopts the proposed tax rate, the City of Archer City is not required to hold an election so that voters may accept or reject the proposed tax rate and the qualified voters of the City of Archer City may not petition the City of Archer City to require an election to be held to determine whether to reduce the proposed tax rate.

YOUR TAXES OWED UNDER ANY OF THE RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

$$\text{Property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$
